ACADEMIC DETAILS				
COURSE	INSTITUTE/COLLEGE	BOARD/UNIVERSITY	SCORE	YEAR
CLASS XII	Jawahar Navodaya Vidyalaya	CBSE	88.40	2021
CLASS X	Jawahar Navodaya Vidyalaya	CBSE	88.80	2019
Subjects / Electives		Data Structures and Algorithms, Computer Networks, DBMS, Operating System, Object-Oriented Programming (OOP)		
Technical Proficiency		Java, Python, MySQL, MongoDB, Spring Boot, Hibernate/JPA, Node.js, Express.js, React.js, HTML5, CSS3, JavaScript, Tailwind CSS, Git, GitHub, Postman, RESTful APIs, JWT, OAuth 2.0, Cloudinary, Docker, Kubernetes, FastAPI, LanChain, Pinecone, Google Gemini API, RAG, LLM Tool Calling, Prompt Engineering		
INTERNSHIPS				
Backend Intern, Global Digitals FX			May 2025 - July 2025	
- Tech Stack: MERN Stack, JWT Auth, Role-Based Access - Built a backend for a Student Management System supporting student records management, authentication, and seamless coordination with institutional services. - Secure JWT-based login with student, teacher and admin-roles. - Clean controller-service architecture with proper error handling and middleware.				
Full Stack Intern, The NorthCap University - https://lost-and-found-frontend-delta.vercel.app/			June 2024 - Aug 2024	
- Tech Stack: MERN Stack, Cloudinary, OTP Authentication - Built a platform for NorthCap University that allows users to report and recover lost items. Features includes secure login, OTP verification of items, photo uploads, admin controls and time logs.				
PROJECTS				
Kalyan - AI Astrology Platform / Astrology Technology - https://kalyan-azure.vercel.app/			July 2025 - May 2026	
<i>MERN</i> - Developed a full-stack astrology platform with Kundli generation, Dasha analysis, matchmaking, and an AI-powered chat powered by LLM Tool Calling for astrological insights. - Implemented LLM with Tool Calling (MCP-type architecture) to enable the AI to dynamically invoke astrological functions — such as Planetary calculations and remedy suggestions. - Developed modules for Blogs, Research Papers, Education Tests, and an E-commerce Store for spiritual products.				
Tour and Travel Management System / Travel and Hospitality - https://wanderlust-13-5lcu.onrender.com			July 2025 - Dec 2025	
<i>Node.js, Express.js, MongoDB, EJS</i> - Built a platform where user can explore, list and book stays. - Implemented secure authentication, wish list functionality, reviews, and listing management with full CRUD operations.				
POSITION OF RESPONSIBILITY				
Management Head - Yoga Club - The NorthCap University			July 2024 - May 2026	
- Led a core committee of 15+ student coordinators across marketing, logistics, and public relations verticals. - Conducted weekly sync meetings to delegate tasks, resolve operational bottlenecks, and track event planning milestones. - Partnered with 2 other campus clubs to host joint health-and-wellness mixers, expanding community outreach.				
EXTRA CURRICULAR ACTIVITIES				
Volleyball I was the 1st runner up in Beach Volleyball in Momentum(NCU Fest)				
CERTIFICATIONS				
CERTIFICATION		CERTIFYING AUTHORITY		
MongoDB		MongoDB		
MySQL		SimpliLearn		
Python		Nptel		
VOLUNTEER EXPERIENCE				
Aravindam Gurukul - Role: Educator/Volunteer Cause: Communtiy Service			Jan 2025 - Mar 2026	
Rotary Blood Center - Role: Donor Cause: Blood Donation			Apr 2025 - May 2025	
LANGUAGES KNOWN				
English, Hindi
